## ABOUT ME

I am a dedicated **Web Developer** with hands-on experience in creating dynamic, responsive, and user-friendly websites. I specialize in **WordPress, Shopify, and WooCommerce**, building solutions that help businesses grow online. In addition to development, I am skilled in **UI/UX design** — giving me the ability to design intuitive and engaging user experiences — and **graphic design**, which allows me to create visually appealing assets that enhance brand identity. I enjoy combining technical expertise with creative design to deliver high-quality digital products, and I am always learning new tools and techniques to stay at the forefront of the web and design landscape.
